

**In the race to
market, think of
us as your
competitive
advantage.**

As a leading, full-service contract manufacturer, we've been helping brands put innovation in consumers' hands for more than 65 years. Whether your aspirations are regional, national or global, our experience, flexibility and quality control can drive speed to market for you. To discover the powerful competitive advantage we can be, call 262.268.4747 or e-mail us at findquality@kleentest.com.
